COLLEGE POLICY:
Once a student enrolls in NCAS or UC-N, it is expected that all courses earned toward the degree will be taken at NCAS or UC-N (and NJIT in the case of joint degree programs). Students interested in taking courses at another institution may request to do so only in summer sessions or winter intersessions and only under extenuating circumstances. Requests will be made on the “Host Enrollment Form” and students may enroll at another institution only with prior approval from the Office of Academic Services (OAS).

GUIDELINES:
Special permission to take courses at other schools may be granted on an individual basis under the following conditions:

☐ You must be able to provide documentation to support your extenuating circumstances.
☐ You must be in good academic standing (not on probation).
☐ You must have your major officially declared with the Office of the Registrar.
☐ You must comply with the Residency Requirement as stated in the Rutgers Undergraduate Catalog: NCAS and UC-N degree candidates must complete a minimum of 30 of the terminal 42 credits toward the degree at Rutgers-Newark and not to exceed 90 total credits.
☐ The request does not exceed the maximum number of credits (60) accepted as transfer credits from County Colleges. Students attending Rutgers as New Jersey Statewide Transfer Agreement (NJSWTA) transfer students may not take any additional courses at county colleges after enrolling at Rutgers.
☐ Courses must be taken at an accredited College or University.

2. Core curriculum classes:
   All Core Curriculum classes must be taken at Rutgers University – Newark.

3. Free Elective classes:
